Volunteer Covenant:

We are excited to host VBS in our new building, and we want to invite more children from the community. However, our VBS capacity will be determined by the number of volunteers who will be here to help. Please return this form as soon as possible to help us determine how many children may attend. After you have returned your form, please honor your VBS commitment. Your absence will leave us short-handed. All volunteers are expected to attend one orientation that will be offered several times in the month before VBS. At this orientation, you will learn the plans for each day and meet awesome volunteers like yourself who will share God's love with Kids of the Kingdom!
