

## Mission Growth

Who Is God Encouraging Us to Serve in Mission?

### An Invitation for a Congregational Workshop and Reflection

God invites us to mission growth. Mission Growth congregations begin with the question, "Who is God inviting us to serve in mission?" Mission Growth congregations focus on mission growth more than church growth. The question is not, "Do we want to grow?" The question is, "Who is God encouraging us to serve in mission?"

We are a Mission Growth congregation.  
We begin with, "Who is God inviting us to serve in mission?"  
We share the five basic qualities of strong, healthy congregations.  
We claim the Twelve Keys strengths with which God blesses us.  
We expand, add, sustain our strengths.  
We act swiftly to serve God's mission.  
We live whole, healthy lives in the grace of God.  
We pray, deeply, richly, fully, with our whole being.  
We have fun, as the Easter People, living in the wondrous grace of God.

**We are gathering on January 26, 2019 from 08:30 am – 4:30 pm.**  
**We look forward to sharing a good time together.**  
**We encourage everyone to come.**

We'll have good fun as we pray and sing, plan and share.  
We'll plan for grace ... strengths .... compassion .... mission ....  
We'll share possibilities and planning, wisdom, and common sense.  
We'll discover the strengths with which God blesses us. We'll discover current strengths to expand. We'll discover new strengths to add.  
We sustain our current strengths. We look for the strengths to expand and add to which God is inviting us, that we have fun achieving, but are worthwhile, and that stir our compassion, creativity, and hope.  
We'll share simple, generous food. We'll enjoy good fun and fellowship.
