

Beginning
September 13, 2018
4:00 pm – 6:30 pm

*This is why I remind you to help God's gift grow,
just as a small spark grows into a fire.
-2 Timothy 1:6*

Lighting up Thursdays for K-6 kids, *spark* is our Thursday ministry for kids in kindergarten through 6th grade. Our time together will be filled with opportunities to learn about God, grow in our faith, serve others, sing with our friends and play together.

Special events during the year include sleep-overs at the church and service projects in the community. Several times during the year, families with children of all ages will come together for special events. Parents are encouraged to attend with their children. Volunteers in 5th grade and older are invited to help for part or all of our time together. For more details about *spark*, talk to Heather Woodin, call the church office (319/338. 7523), or email Heather at hwoodin@saintandrew-ic.org.
