

Do you feel called to serve God's people through a short-term mission trip? Fairlington can help.

Application Process for Requesting Financial Support for Mission Trips

The Missions Committee of Fairlington United Methodist Church (FUMC) in conjunction with Fairlington United Methodist Men (FUMM) award financial assistance to members of the FUMC congregation that seek to contribute their personal efforts and devotion to God's work in the world and who feel called to serve in short-term mission, domestically or abroad.

If you plan to go on a mission trip, whether or not it is associated with our church, and you are looking for financial assistance, you are invited to apply for financial support through our committee.

If needed, financial support may provide up to the full cost of domestic trips (appropriate cost of transportation, lodging, and project fees for supplies and materials) and up to half the cost of international trips subject to the availability of funds.

Applications must be received no later than 90 days before the mission trip commences and are approved subject to the availability of funds by the Missions Financial Support Committee. If you want more information about mission trip financial support, or if you want to apply for financial support, please contact **Wray Sexson** at (703) 242-2352, AIWAVA@msn.com.
