

# Elexio Community App

Here's a quick tutorial for setting up your Elexio Community App (iPhone or Android)

1. Go to your app store and download the "Elexio Community" app.

2. First time logging in. You will need to replace the word "domain" with "fpcniceville"

3. Be sure to use your **primary email** as your **Username**.
4. Trouble? Contact the church and let us know. We'll be glad to help.
