

A Community of Faith, Hope, and Love; Committed to Knowing Christ and Making Him Known

How are Missions supported at FPC?

1. 10% of the General Fund tithing supports Missions
2. The designated "Faith Promise" gift adds additional funding to Missions
3. Designated offerings to a particular mission are added to the funds that are regularly sent to that mission
4. Memorials or estate planning gifts also can be used to fund FPC sponsored missions

During the Mission Emphasis Weekend FPC members are encouraged to pledge (a non-binding agreement with FPC) Faith Promise funding above their tithe for the next calendar year's mission budget. These pledges are not published individually or collectively, but are given to the church treasurer to help project the budgets for the upcoming year. The privacy of the giving and giver are protected by the treasurer and never disclosed to the committee or anyone else.

Who is responsible for determining the missions of FPC?

Answer: A group of volunteers, members of the church, overseen by elder Chuck Purucker meet on a regular scheduled basis to:

1. Review and pray over the needs of the current missions supported by our church
2. Organize informational support of the missions supported by our church
3. Organize mission trips
4. Recommend fund distribution to the church Session based on funds available and/or predicted during the budget development process
