## "On The Road Again"

Please pray for us as we begin a new season of travel, visiting, sharing and speaking in the South Western USA. We leave today for Phoenix, Arizona, which will serve as our "home base" until mid-March. We are excited to spend these days with our son, John, his wife Kefei and their new baby boy, Declan. Carol is excited to be in "grandma mode", caring for the baby and assisting the young family around the house.

This coming weekend Bob will drive to San Diego to share with the family of God at LifeBridge church in Rancho Bernardo. This wonderful congregation has supported our work in Germany for the past 8 years, and we're excited to share our new work in Poland and the Europe/Mediterranean Region.

On Sunday afternoon he'll drive up to Long Beach, California for meetings of Converge's International Ministries Leadership Team. A highlight of the week will be meeting with the three other Regional Impact

Team Leaders to discuss how God is leading us to build our teams and have a positive influence on ministry in our territories.

On Sundays in February, Bob will be providing pulpit supply to the Lake Havasu Baptist Church

in Arizona. He's excited to have a chance to share with this part of God's flock as they search for a new pastor. On February 25, Bob leaves for Cordoba, Argentina along with the Regional Impact Team Leaders for a week meeting with a church planting movement leader there to learn from him and see how Converge can support and replicate his faithful work around the world.

### Exciting Update on Our Support Raising!

By God's grace, in the first 3 months after our return to the USA, we have received more than \$1,000 per month in new or increased support! Praise the Lord with us for this response of His people! Please pray for us as we continue to share our vision and calling with others, trusting God to move in hearts to partner with us. We appreciate your prayers, love and your financial support!

### HOW TO SUPPORT OUR CONTINUING MISSION:

This is a time of year when we begin to think about goals for the year ahead. As you consider things like getting fit, reading more and controlling your temper, think about making a commitment to support the work of spreading the good news of God's love to unreached people in Europe, North Africa and the Middle East. In addition to our church planting work in Poland, we will be working regionally to impact new gospel movements among least-reached people in places like Egypt, Russia, Libya, Morocco, and 50 other nations.

Will you consider supporting that effort in the year ahead? If each person receiving our newsletters were to support our mission with just \$10/month, we would be fully funded for our return to ministry in Europe. Of course, not all can, or should, give to us...but will you prayerfully consider partnering with us, and give as God leads, even at \$10 monthly? If you are led to partner with us to bring the gospel to the least-reached people of Europe & the Mediterranean region, go to:

**IN EUROPE:** You may send support to our mission though bank transfers to:

**SPAR- UND KREDITBANK EV-FREIKIRCHL GEMEINDEN**

**IBAN: DE 28 5009 2100 0001 1622 33**

**BIC: GENODE51BH2**

All contributions should be marked “**Poland Church Plant (Marsh)**”.

Tax donation letters will be sent at the beginning of the year following the contribution.

***If you are in the Southwest US, we'd love to see you! Let us know if we can connect!***
