

DECEMBER Family Challenge

CREATE YOUR OWN CHRISTMAS ORNAMENT!

As you cut, glue, paint, or decorate your ornament, take a moment to talk about how God gives each of us unique gifts. Just like you're shaping your ornament, God lovingly shapes us too. **Celebrate together how He creates, forms, and transforms His people.**

Discuss as a family...

- Where do we see examples of God shaping and forming in the Bible?
- After you finish making your ornament, take time to read and talk about these verses as a family.
- A great place to start is **Isaiah 64:8** or **Ephesians 2:10**.
