Service Opportunities: Spring Servant Saturday (Date TBD)

Cost: \$1,950- deposit of \$100 due by the first team meeting, church is covering part of the amount through our On Mission 2026 offering

Where we will be serving:

The camp, Champfleuri and attached Bible School, Ecole Biblique Defi is located in the foothills of the Belledonne mountain range near the little town of Champfleuri, about 6 hours southwest of Paris and an hour and a half from Geneva, Switzerland. The camp and Bible School is associated with Torchbearers International, which seeks to train men and women for service in His Church around the world. The Director of Champfleuri is Damien Reeves, a Texas native who has served for the past 26 years at the camp.

What we'll be doing:

Champfleuri hosts a number of camps throughout the Summer. We'll be serving at camp TED (Totally English Days). Our students will be IC'ers or Intentional campers during the 10 day camp. That means that they will be participants in the camp, but with the purpose of ministering to French Teens of varying spiritual backgrounds throughout the week. This looks slightly different every year, but it mainly involves building relationships with French teens by helping facilitate small group discussions after the main sessions, sharing their testimony with individuals or the group, leading workshops for various activities and in general being a faithful servant of Jesus throughout the course of the camp.

Travel Details:

Passports: You will need one. Processing time is currently 4-6 weeks, so if you don't have one that ought to be the first thing you should do once the team is solidified (beginning of December).

We'll be flying out of Philadelphia and into Lyon and then we'll take a train to the camp.
