

## Michigan Mission Trip 2026

**Trip Dates:** July 19th-24th, 2026

**Eligibility:** Open to students who will have completed grades 6-12 by June, are presently attending/engaged in our student ministry on Sunday nights, and are actively serving within their church.

**Required Team Meetings:** March 31, April 28, May 19, June 9, July 14

Location: Ministry Center or offsite, Time: 7:30-8:30 pm

**Cost:** \$650 (deposit of \$50 due by the first team meeting, final amount to be offset by 2026 On Mission offering)

### **Where we're serving:**

This will be our fourth year serving with the organization Experience Mission. They offer a number of short term trips around the world, that all look different based on the needs of the community. This year we are serving in Muskegon, Michigan.

### **What we will be doing:**

As is the case with most mission trips, being flexible and adaptable is going to be key as plans may change throughout the course of the trip based on the needs of the community/ministry. In Muskegon, most of our time will be spent working with the local organization- Kids Belong, which provides support, meals, and activities for families who are in the foster/adopt/kinship world. Some of the activities that we could assist with are yard work/household chores, sorting clothes, helping serve food at community dinners, putting together activities for foster kids, and helping lead a kids club- VBS type of ministry throughout the week. It should be a great week!

### **Travel Details/Accommodations:**

We will be driving to Michigan in a few vans and will be staying at a local church in the area.

### **Interested?**

Scan the QR code. Applications are due by December 7th.
