

# MCC Women's Events Child Attendance Policy

Unless stated otherwise, all MCC Women's events are intended for adult females only who are over 18 years of age. The reason for this is not to be exclusive, but rather to create the most fruitful environment for our ladies to connect and encourage one another. The presence of children (from our tiniest babies to even our mature tweens and teens) necessitates a filtering of our words and our emotions.

My heart is for MCC Women's Ministry to provide safe spaces for us to open up, be vulnerable, and focus on carrying one another's burdens. Adding little ears and busy bodies to our gatherings changes the entire dynamic and could hinder authentic interactions among us.

We value all age groups and recognize the significance of multi-generational ministry. We will strive to provide other opportunities for you to participate alongside your children throughout the ministry year
