

Medical Missions Trip 2026

Trip Dates: July 25th-August 1st

Eligibility: Medical and non-medical professionals who are looking to serve the physical and spiritual needs of the people in the Dominican Republic. Mission of Hope welcomes the following medical professionals- MD, DO, PA, NP, PharmD, RPh, RN, LPN, Paramedic, EMT, CNA, OT, PT, and students.

Required Team Meetings: the number of team meetings will be determined once the team has been formed.

Cost: \$1,700- deposit of \$100 due by the first team meeting, the church is covering part of the cost through our On Mission 2026 offering

Where we will be serving:

We will be serving in the Dominican Republic with the organization Mission of Hope. Mission of Hope partners with local churches and pastors to help them get the assistance that they need. Their goal is to see people's lives transformed both physically and spiritually. We will stay in a guest house on the Mission of Hope property in bunk style rooms. Bathrooms on campus have running water and showers.

What we will be doing:

While in the Dominican Republic, we will have the chance to use our skills to serve in a mobile medical clinic connected with Mission of Hope to bring exceptional care to those who do not have regular access to medical care. This investment will make an impact long after we return home on the health of the people that we meet.
