

OCTOBER

FAMILY

CHALLENGE

Go apple or pumpkin picking as a family. As you're spending time together, talk about who made these things grow, and share in the wonder of God's creation with your children. Where do we see an example of things growing in the Bible? Take time after your apple or pumpkin picking adventure to read and talk about these verses. (Can't think of any? Check out John 15:1-11.)

SEND US A PICTURE OF YOUR FAMILY'S SPECIAL OUTING!
