

MOUNT CALVARY CHURCH
Passionately Pursuing Christ

WELCOME

We are so glad you have chosen to worship with us today! Whatever your life circumstance, you are welcome here. Feel free to introduce yourself to us by filling out a connection card at www.mtcalvarychurch.com/connect.

As a church, our mission is to lead people in all stages of life to passionately pursue Christ. Through biblical teaching, worship, service, community, and missions, we get the privilege of living life with the God who created us.

GET CONNECTED

We want to help you get connected to others at Mount Calvary Church. Look through the ministries below and email a staff member for next steps.

MCC ADULTS

Trail Groups are groups of two to three men who meet weekly to give an opportunity for deeper relationships to form in smaller groups where men confess their sins, are accountable in their disciplines, and pray for each other. For more information, email Pastor Matt.

Women's Ministry has a variety of offerings to equip, encourage, and engage women including Bible study (morning and evening), prayer meeting, and events. For more information, email Elizabeth Lerro.

Bible Classes are for both men and women to go deeper in God's Word. We are currently offering select in-person classes on Sundays at 9am and virtual classes on Sunday evenings. For more information, email Pastor Ray or check the church website.

Life Groups are smaller groups of people that meet in homes during the week. These groups provide an opportunity for you to make closer friends, study God's Word together, and pray for one another. For more information or to join a Life Group, email Pastor Ray.

MCC STUDENTS

All middle and high school students are invited to be a part of MCC Students. Students will have the opportunity to grow in relationship with friends, caring adults, and their Savior through times of fun, worship, teaching, and small groups. For more information, email Pastor Jonathan.

The Well Sunday 5:00-6:30pm, MCC Gym and Sanctuary

MCC KIDS

MCC Kids is our ministry for children from birth through 5th grade. We love children and believe that teaching them God's truth beginning at a very early age is crucial. We have fun while teaching children through age-appropriate lessons and activities in a safe environment. Our desire is to cultivate growing faith in our growing kids! For more information, email Melissa Norman.
