

OPENWATER CHURCH
CULTIVATE WEEKLY MEMORY VERSES
September 2018 – August 2020

We are in a 2-year vision called, “Cultivate.” The goal is to have everyone at OWC to experience significant spiritual growth. One part of the growth process is to captive our minds with the word of God. When our minds are focused on the love of Christ, it positively affects our feelings, which causes our actions to be more Christ-like.

Every week the people of Openwater are encouraged to memorize verses that pertain to each week’s teaching. Our Lord and Savior Jesus Christ quoted Scripture to fight off the temptations of the Devil in Luke 4:1-13. Memorizing Scripture is a necessary spiritual habit for Christ-followers to live life to the fullest. You can print this sheet each week or just right down the verses on cards that you can have with you at work and at home.

Enjoy the journey!
