

CULTIVATE VISION

Cultivate is a two-year vision based on 2 Peter 3:18, "*Grow in the grace and knowledge of our Lord and Savior Jesus Christ.*" (NIV) It's a vision driven to help believers experience significant spiritual growth with Christ.

It emphasizes the purposes of discipleship (Biblical knowledge & practical application) and ministry (loving and serving others). Jesus built into His disciples by doing life together. Most of what the disciples received from Jesus was more caught than taught. Jesus became a walking-talking billboard of how to live life. He was the great mentor the world has ever seen.

Believers are encouraged to live life together through mentor/mentee relationships. The mentor's responsibility is to gently guide the mentee to apply the five purposes found in The Great Commandment (Matthew 22:37-40) and The Great Commission (Matthew 28:19-20) by using "The Relationship Clock" tool. The mentee's responsibility is to apply what they have learned.

The mentor's goal is to help the mentee eventually become a mentor to another person. The hope is that every mentor will exponentially affect others through their mentees and see generational discipleship take place.
