What about starting a good habit for 2026:

7 Simple Strategies to Find Your Stride in 2026

For the next 52 weeks, you and I carve out *one intentional hour* each week—to do these *seven things*. I truly believe it would transform our hearts, our homes, and our relationships in ways we can't even imagine.

1. **FRIEND** - Text a friend you haven't talked to in a while. Let the Holy Spirit highlight who. A simple “*You're on my heart today—how can I pray for you?*” can crack open doors that have been shut for years or just nurture a relationship you value. Everyone needs encouragement, and you carry living water inside you.
2. **FAMILY**- Same idea—just pointed toward your own family. Who haven't you talked to recently? Who would light up if you told them you're thinking of them? Sixty seconds of intentional love can shift decades of distance.
3. **FOE** Yes...them. This is where heaven challenges our flesh. Pray for the people who have made life harder. Ask God to bless them, prosper them, and heal them. Why? Because praying for your enemies detoxes your spirit. Freedom grows here.
4. **FORGIVE** - Let the Lord bring up anyone you're frustrated with—even a little. Pray it through: “*God, I forgive them. They don't owe me anything. I release them completely.*” This keeps your heart light, clean, and unentangled.
5. **FEEDER** - Send a message of gratitude to someone who has poured into you—spiritually, emotionally, or practically. A mentor. A leader. A faithful friend. Tell them how their investment has shaped you. Be generous with honor.
6. **FIX** - Pick ONE small thing you've been avoiding. Not the whole house. Not every junk drawer. Just one thing. A broken wiper. A cluttered counter. A bag of donations sitting in your trunk. One small win a week adds up to a year of peace.
7. **FIND** - Find one person to bless—no strings attached. Pay for a coffee. Bake something for a neighbor. Bring your stylist her favorite drink. Hold the door for someone. Let generosity be your joy. It awakens the Kingdom inside you.
