

Dr. Mike Hutchings

President and Founder
of the God Heals PTSD
Foundation

ABOUT ME

As the President of the God Heals PTSD Foundation, Dr Mike Hutchings is passionate about seeing people set free from the chains of trauma, anxiety, and PTSD. He travels the world ministering healing and training people how to minister to the traumatized. Dr. Mike also resources treatment centers and individuals through his book, *Supernatural Freedom from the Captivity of Trauma*.

MISSION

Our Mission is to break the spirit of trauma over people's lives, through Jesus Christ and the power of the Holy Spirit, so that they can be fully healed and restored to carry out the call of God over their life.

TESTIMONY

Mike, a Vietnam veteran, had PTSD from his service. He had nightmares, flashbacks, any loud noise would trigger him, and he felt insane. After suicide attempts, and 5 marriages, he found his way to Dr. Mike Hutchings. After praying with Dr. Mike, he felt "a pressure release in my brain." Today, his symptoms of PTSD are totally gone.
