St. Vincent De Paul Society

Dear friends, we join our voices with Isaiah the prophet in praying that you will be strengthened in your weakness, that your eyes will be opened, and that you will be free from fear. The path toward Christian initiation upon which you tread is one that requires patience. Your hearts must be firm as you set your sights on union with Christ. Know that we support you in prayer as you continue this journey. As you go forth now to reflect on God's word, realize how eager we are to share with you one day in the eucharistic banquet.

Now go in peace

Spend Some Quiet Time With Our Lord.

Retirement Fund for Religious

Why We Ask

- In 1988, Catholic bishops of the United States launched the Retirement Fund for Religious (RFR) to address the significant lack of retirement funding for Catholic sisters, brothers, and priests in religious orders.
- For most of their lives, elder religious worked for little to no pay. There were no 401(k) plans or pensions.
- Religious communities are financially responsible for the support and care of all members. Income, earnings, and expenses are managed separately from the parish and diocesan structures of the Catholic Church.
- The funding shortage is compounded by rising healthcare costs and decreased income. And, as more religious reach retirement age and leave compensated ministry, income will further decline while care needs increase.
- By 2027, religious over age 70 are projected to outnumber religious under age 70 by more than three to one.
- There are more than 32,000 religious over age 70 living in the United States. In 2016, the average annual cost for their care was more than \$42,000 per person.
- Since 2009, the annual cost to support senior women and men religious has exceeded \$1 billion.
- In 2016, 67 percent of the religious communities providing data to the National Religious Retirement Office (NRRO) had a median age of 70 or higher.
- The average annual Social Security benefit for a religious is \$6,116.22, while the average United States beneficiary receives \$16,321.56.

How Donations Help

- Catholics in the United States have donated more than \$816 million to the RFR since the first appeal.
- Roughly 94 percent of donations to the RFR aid elder religious, with the remainder used to administer and promote the appeal.
- Since 1989, more than \$775 million has been distributed to support the day-to-day care of elderly sisters, brothers, and religious order priests. An additional \$91 million has been allocated toward self-help projects initiated by religious communities, including collaborative healthcare facilities.
- In addition to direct financial assistance, proceeds from the annual appeal underwrite educational programming, services, and resources that enable religious communities to evaluate and prepare for long-term retirement needs.
- Support from the Retirement Fund for Religious helps religious communities care for senior members while continuing important ministries to the People of God.

Parish Mission Statement

We Believe that God is Love, and when we live in love we live in God and God lives in us! Therefore we, the Parish Family of Saint

Turibius, dedicate ourselves to living out Christ's Great Commandment: we will love the Lord our God with all our heart, with all our soul, with all our mind, and with all our strength, and we will show our love for God by the way we love and care for one another. To this end, we will respond to our baptismal call, strengthened by the life, death and resurrection of Jesus Christ and empowered by the Holy Spirit. As a Family of Faith that has an Attitude of Gratitude for the gifts God has given to us, we will share our time, our talent and our treasure with each other. We welcome into our parish family all people, because we believe that together we are the Body of Christ and together we can bring the love, peace, forgiveness, healing, and joy of Christ into our community in ways we never could have if we were to remain apart. May all who meet us, who worship with us, who work and play with us, know we are Christians by our love!
