Answer the Call to:

Strengthen Local Parishes

\$100 million

Through a 50% share of funds raised at parishes, all parishes across the Archdiocese of Chicago will be able to fund critical mission, ministry and capital projects.

Spiritually Renew Our Parishes

\$60 million

We will support parishes as they refocus efforts to reach out to the less engaged and accompany them along the path of Christian discipleship. We will provide intensive parish renewal support, renewal formation and direct outreach to people exploring faith.

Support Our Priests

\$100 million

We will invest in seminarian education, pastoral and professional development, and caring for the health and well-being of active and retired priests.

Assist Vulnerable Communities

\$40 million

We will support our schools and parishes in economically challenged areas through Catholic school scholarships and the Parish Vitality Fund, which supports facility maintenance and ministries at parishes serving low-income communities.
