

ARCHDIOCESE OF CHICAGO

# NEW TO THE PARISH

Welcome to our parish! We are so glad you are with us today and hope that you experience a community of hope and peace.

As we enter this holy season of Lent, we prepare our hearts and minds to remember the suffering, death and resurrection of Jesus Christ.

It is a time to intentionally return to the big questions of faith: who am I in relation to God? How is God calling me to fuller life? What does it mean to be imperfect, yet perfectly loved by God?

We encourage you to take advantage of special Lenten Resources [listed on this webpage](#)
