Wednesday Classes at Grace Church Spring 2019

Beginning February 6
6:45 PM

1) Introduction to the Bible

Led by Pastor Gary Colboch in HS Building, Room 112 / No Cost

Ever had questions or heard someone ask:

- Who wrote the Bible?
- How do we know the Bible is accurate?
- Which Bible version is the best one?
- How can I understand the cultural context of the Bible?
- How do I know where to find what I'm looking for in the Bible?
- What is the best plan for reading the Bible?

Join Pastor Colboch as he leads us through an introduction to the Bible and answers these questions and more. Handouts will be provided and resources including online classes from Luther Rice Seminary in Lithonia, GA will also be utilized.

2) House or Home? God's Blueprint for Parenting *(by Chip Ingram)*

Led by Steve Allen in HS Building, Room 107 / Cost - \$5 per Study Guide

One of the greatest stewardship responsibilities we will ever undertake is taking one of our little babies and rearing them to be mature, responsible, followers of Jesus. But there is HOPE. In the midst of all the views of parenting, God has given us some clear and timeless truths to follow. He has given us a blueprint for us as parents to follow. I hope you join us in this ten week study called House or Home.

3) Discovering Your Spiritual Gifts

Led by Gary Lowy in HS Building, Room 110 / Cost - \$5 per Workbook

Got Gifts? God has given every believer, that includes you, a Spiritual Gift(s) to be used to build up the church and serve others. Do you know your giftedness? Are you using it to the glory of God? If you cannot answer yes to these questions then you're not being used to the full potential & purpose God has intended for you. Together we will attempt to answer these and many more questions in "Discovering Your Spiritual Gifts and How to Use Them."
