**The Meditation**

Quietly think about this version of the song we just sang.

*When I think about Jesus giving His life on the cross to save me, I realize that His gift is so much better than every other good thing I know.*

*Lord, don't ever let me brag about anything other than Jesus. I give You control of everything on earth that grabs my attention.*

*Look at Jesus' head, hands, and feet on the cross. His pain is proof of His love for me. It is sad to see God's Son hurt because of my own sin.*

*Everything on earth would still be too small a gift to thank Jesus for such a sacrifice. I must give Him my heart, my whole life, and all my best efforts.*

**Prayer of Invocation**

Write this in your own words.
