An exciting opportunity! A new space to meet our changing needs

Greetings from Costa Rica! What a crazy year this has been as we find new ways to use technology to grow our ministry in the midst of the pandemic. We feel busier than ever as we help with developing online church services, devotionals, and Bible studies serving our church, the students of the Bible Center, and other missionaries throughout Latin America.

For years, as our ministry (and family!) has grown, we have been praying about finding an office space for the Bible Center, and possibly a house with more adequate space for our family. This has been a long, careful search, so imagine our surprise when we recently found a rental property with a good house for our family AND a great office in a separate building. Even better, the office has a big classroom on the second floor! This new property will allow space for us to better accommodate the needs of our family and more efficiently focus on the work God has called us to do. We negotiated a good rental price and are thankful that this option is more economical than renting both a house and an office in town.

While we will have the normal costs of moving, we also need to pay the rental deposit for the new property, and one month of overlap rent for both houses (this is a result of Costa Rican rental laws). The new house is older and needs some repairs, paint, and some new fixtures and furnishings (responsibilities that usually fall to the renter in Costa Rica).

We are praying that if it is God's will for us to move, He would provide what we need to meet these unexpected expenses. Would you prayerfully consider giving a one-time gift to help us with this move? Unfortunately, we need to act quickly because rent is due by the 15th of this month and we would like to complete the projects before we move. If the Lord leads you to give to help us move, please follow the instructions below. Thank you so much for your consideration!

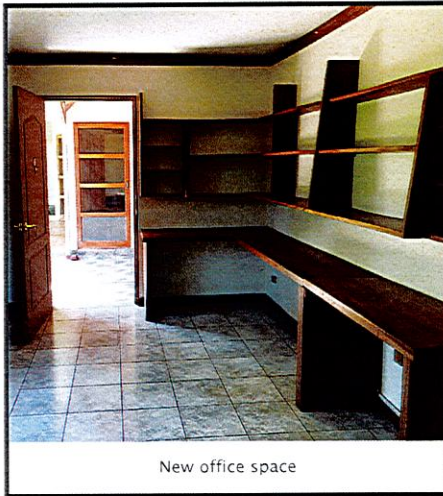

We also want to express our deep gratitude to all of you who have been praying for us and financially supporting us, especially during this time. It has been a difficult time for everyone and now, more than ever, people need the certainty of Biblical truth to sustain them through these uncertain times. Thank you so much for being part of making that happen here in Costa Rica.

Gratefully,
Daniel and Sarah Puttcamp
