Making Plans

The end of April/early May brought one of Brad's busiest times of the year as Unto made plans for the next fiscal year. Unto staff worked together to pair requests from our Cru staff globally with what Unto has the ability to provide. There are always more requests than current finances and goods. Although, each year God finds ways to multiply resources and allow more needs to be met. A way we are able to see

Families are provided food and blankets through Unto's critical aid program.

how He cares for people worldwide and their basic needs. Ephesians 3:20-21 comes to mind, "Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen." Recently we saw God surprise us in the midst of COVID-19 shipping restrictions and challenges, as we have been able to continue to ship containers to help combat food insecurity. We've been hearing reports back from several countries. A mother with young children shared: "Today is an unforgettable day ... We would like to thank those merciful people who brought blankets and rice into our village. Today will be for us a day to celebrate."

Family News

Like many of you, we have just wrapped up our school year. The girls did amazingly well with the adjustment to distance learning. We now have a rising second grader and a rising kindergartener. Ruthie's preschool had a special virtual graduation near the end of May which was very meaningful. She can't wait to be at school with Abigail next year!

Later this month we will be traveling to South Carolina to attend Pine Cove family camp. Pine Cove's motto is: "Christ Centered. Others Focused. Seriously Fun." We are looking forward to this time to grow closer both as a family and to God while being in such a fun atmosphere.

The cost for us to attend is \$2,900. **If you would like to give a special gift to help with the costs, we would be grateful.** Tax-deductible contributions can be sent to our staff account. Thank you!
