- Next Gathering: August 26-27,2016 is the same weekend as Mission West boundaries training at FCC Lubbock. Do we want to adjust our meeting date and time? This means moving away from the pattern of the 4th weekend of January and August we set last year around this time to help us all schedule and avoid other events and to make calendaring easier or encourage participants to attend the one in Fort Worth on Feb. 15th? Do we still want to meet at Ceta Canyon/Glen or move it to another location like Lubbock?
