

A Symposium on Repurposing

Now What? A Symposium on Repurposing...Our Buildings, Our Outreach, Our Stewardship, Our Leadership

Friday, October 28, 2016, 9 am – 4:15pm

Northway Christian Church

Dallas, Texas

\$25 (lunch and childcare included)

We've talked enough.

You get it. We've talked long enough about the issues of costly, over-sized, under-used church buildings that are holding us back from doing God's mission in the world.

You're asking, "Now what?"

Join other church leaders at an ecumenical gathering this fall to explore new ways to use our buildings and be the church. This won't be just more talk – you will leave with action plans, timelines, and resources. So bring a leadership team of clergy and laity from your congregation. Invest a day to change tomorrow.

This event is a collaboration of the Building Funds of the Christian Church (Disciples of Christ), Evangelical Lutheran Church in America, the Presbyterian Church (USA), the United Church of Christ and The Episcopal Church.

Speakers

- Leadership Development; Katie Hays, Galileo Church
- Creative and Alternative Uses of Property; Larry Duggins, Missional Wisdom Foundation
- Community Connection; Janet Hellner-Burris, Christian Church of Wilkinsburg
- Q and A – the three speakers

Table Talks – Choose topics of most interest to you to share your perspectives, examine new perspectives and get to know peers with similar interests and focus. Table Talks allow you to take a deeper dive into topics of interest.

- Patrick Duggan, UCC Church Building & Loan Fund
- Janet Waggoner, Episcopal Diocese of Fort Worth
- Ruth Woodliff-Stanley, Episcopal Church Building Fund

App Labs, Round 1 and 2- You've listened. You've got questions. Join an App Lab to begin to apply and adapt what you've learned to your specific organization, where you start to apply it so you can hit the ground running. This is your carry-out.

Packing Up- What I learned, what I'm taking out of here, and what I'm going to do with it.
