

BULLYING

Bullying can come in a lot of ways, but it often comes in one of four forms:

- **Verbal:** Includes name calling, teasing, and racial or ethnic slurs
- **Social:** Spreading rumors, leaving people out of activities, and turning on friends
- **Physical:** Includes hitting, punching, shoving, and other physical abuse
- **Cyberbullying:** Negative comments on Facebook, Twitter, texting, and email.

Why It Happens:

Hurt People Hurt People: Oftentimes, people who bully others are acting out of some hurt they have experienced.

What to do About Bullying:

- **Ask for help:** Speak with an authority figure such as a teacher or guidance counselor at school or a supervisor at work.
- **Don't Retaliate:** Do NOT seek revenge. Choose to forgive them and seek to resolve conflict and not avoid it.
- **Seek Advice:** It might be wise to sit down with a professional Christian counselor and/or trusted adult to talk through the effects of bullying.
- **Pray:** Ask God to help you and give you confidence in Him and “pray for those who persecute you” (Matt. 5:44).

Deuteronomy 31:6 says, “Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you.” God is *always* with you. You can turn to Him and trust Him with everything in your life.

The comparisons and beliefs of the world will always steal our joy. If we believe the lies that if we had more muscles, or if we were thinner, or if our looks were different in some way, then we would be happy, we will never find peace. We cannot find peace apart from Jesus, and worrying about looks is just another distraction that keeps us from knowing the truth.

If you are being bullied and want to talk to someone, we would love to help you and be able to pray with you. Let us show you that God is a LOVING God. Call us at (757) 228-1502 or email info@TheREDchurch.tv.
