Dear RED Church Giver,

The summer is heating up here at RED Church! We are so thankful to see God at work within our members and community. You are making a difference.

Thank you for investing in what God is doing. RED is 100% supported by your giving. We honor your investment and handle the responsibility with great integrity. For your records, I have asked our finance team to include a listing of your gifts so far this year.

I also want to share a couple ways you are blessing others through your giving:

- **We have seen 129 people decide to follow Jesus so far this year, including 12 middle and high school students during our recent youth lock-in!** People are coming to know God and discover REDemption in Jesus Christ.
- **On Serve Day** we went into our community and shared God's love in practical ways. We bought groceries for **48 people**, distributed **gift bags to dozens of high school graduates**, helped **12 people pay for their laundry**, and gave **water to dozens of families at Mount Trashmore Park**. Over 50 DREAM Teamers participated in these outreaches.

Each of these interactions represent a soul who tangibly experienced God's love. We met one woman at the laundromat whose washing machine had just broken, so we were able to pray with her and bring peace to an otherwise stressful situation. **This would not be possible without givers like you.** Thank you for partnering with us in ministering to our community.

We are thrilled to open our second location this fall! Offering services in two buildings increases our capacity, which ultimately means **reaching more people for Jesus than ever before.** **So please join me in prayer for our grand opening** - for our guests, our DREAM Teamers, and all the preparations. We plant the seeds and trust God to provide an incredible increase (1 Cor. 3:6). Together we press onward towards 10,000 lives REDeeemed!

Blessings to you,
