Key Words This Week

God is loving | God does what is best.

Worship | our right response to the goodness of God. Through worship, we show that God is most valuable. Only God deserves our worship. We use our voices, minds, and bodies to worship God.

Key Actions This Week

Do | Remind family members that worship is any kind of action that expresses praise, love or thanks to God. Read Psalm 100 to get ideas of how your family can worship God, even when you are not at church. Write the ideas on sticky notes and place on the refrigerator as a reminder of ways to worship God daily!

On Mission | Summertime is often a time families are away from church on a vacation. Look at a church bulletin and make a worship service your family could follow when you are traveling. Allow each person to volunteer to lead one of the worship activities. Thank God that we can worship Him anytime, anywhere!
