## The Gifts of CHRISTmas

December is here! This month we are celebrating the birth of our Savior, and this year's Christmas celebration will be a deeply meaningful season in the life of Mayfield Road.

The theme for this year's celebration is "The Gifts of CHRISTmas." We often say that God has already given us the greatest gift by sending Jesus to us. But what does that mean? Each Sunday morning in December, we will get a better understanding of that phrase. I will share a series of messages that will unpack the different aspects of what God has given us in Jesus. Our choir and orchestra will lead us in singing some of our favorite Christmas music, and will also present a special concert on December 16. My hope is that this focus will enrich our Christmas celebration together.

Of course, it is God's desire that the gift of Christ be shared. Our neighbors and friends are never more open to an invitation to a church service than they are at this time of year. So, take a look at the many great opportunities that our church is hosting, and invite some of the people from your Circle to join you as we celebrate "The Gifts of CHRISTmas" at Mayfield Road.
