

# Framework for Family Discipleship

God calls the family to play a vital role in discipling the next generation. How this is accomplished varies from family to family and is as unique as the DNA of each home. Family discipleship isn't one-size-fits-all, and it isn't easy—even the most intentional of Christian parents may find themselves at a loss as to how to begin. At Mayfield Road, we want to come alongside parents to help you craft your own approach to family discipleship. Though each family is unique, we believe that vibrant family discipleship can take shape through family worship and a framework of **time, moments, and milestones.**
