

Medical & Mental Health Providers on Gulf Coast

Healthcare Providers:

*It's a good idea to confirm the provider takes the Medicaid plan your foster child is on before the visit. The social worker will need to be at the 1st visit to sign the financial responsibility forms. After that, you can take the child to appointments without the social worker. *

- **Children's International**
 - Social Worker required at 1st visit
 - Magnolia Medicaid
 - 831-8800
