## **Purpose**

The Equip Pathway aims to provide believers with a solid foundation in Christ, enabling them to fulfill the unique purpose God has created them for.

## **Description**

The Equip Pathway consists of 4 6-week courses that will deepen believers' knowledge of Christian discipleship, the biblical narrative, and Christian theology. Participants will learn alongside others in an interactive classroom. Each course will challenge believers with required readings, group discussions, and light homework assignments.

Each course is offered in both the fall and spring. After completing all 4 courses, participants will have a commission celebration.

2. EP 102-A Old Testament Narrative:

## **Commitment**

The Equip Pathway requires a commitment from each participant. Each course is 6-weeks long, so participants should be committed to attending each session to the best of their ability. Likewise, a financial commitment of \$20 is required for each course (for course materials). The course will require 1-3 hours per week of reading or homework outside of class.

## **When**

Classes meet on Wednesdays. Childcare is provided. The courses are offered every Spring and Fall.
