Requirements for participation in Jubilee

Please read the statements below. *

By checking the boxes you acknowledge that you've read and are committed to the following:

- 1. Attendance to all rehearsals is required. However, we understand that things can come up which will force your child to miss rehearsal. In light of this, please notify either Ruth or Ken in advance of any upcoming absences or expected delays in arrival.
- 2. After the 2nd absence, the child's ability to participate in the presentation will be at the discretion of the Director)
- 3. Rehearsals start promptly at 1:30 PM and end at 2:15 every Sunday. Children are required to be on time. Our rehearsals are very short, and we have lots to cover. Also, the warm ups at the beginning are an integral part of being able to sing well.
- 4. A music folder will be provided to each child at the beginning of the season. Children are required to bring their music folders and a pencil with them each Sunday, and to review the music on their own throughout the week.
- 5. Please send your child to rehearsal with a sealable water bottle.
- Please keep in mind that singing requires much energy, breath support and concentration, so if at all possible, children should eat lunch before rehearsal.
- Children are required to follow the conductor's instructions and to respect fellow singers.
