# 200+

On average, we welcome over 200 kids into Kid Min between our 2 campuses on Sunday mornings.

## WORSHIP

---

Every Sunday morning, elementary and middle school kids (K-8) have the opportunity to learn about Jesus and connect with each other through large group programming.

**Nursery:** Birth to 2 Years  
**Preschool:** 2 to 5 Years  
**Elementary:** K to 4th Grade  
**Fusion:** 5th & 6th Grade  
**Logos:** 7th & 8th Grade

**Support Ministry:** We connect any child who needs extra help with their own trained Support Coach.

# 100%

All of our Varsity kids have the opportunity to be part of a Small Group through Kid Min at both campuses.

## CONNECT

---

Our goal is to connect relationally with each of our kids and have great discussions about how they can apply the Bible to their lives. That's why in addition to large group programming, Sundays include **small group** environments. Small group leaders commit to lead the same group each week.

We also encourage kids to attend our **overnight retreats and camps** to get them out of their normal environment and more deeply connected with one other & Jesus.

# 5 YRS

Over the last 5 years, we've held fourteen 7th Inning Stretch Respite Nights that served over 30 families with kids with special needs.

## SERVE

---

### FAMILY SERVICE PROJECTS

>> **7th Inning Stretch Ministry:**  
We serve kids with special needs and their families.

>> **Operation Christmas Child:**  
We partner to help kids globally.

>> **Community Impact Projects:**  
We provide other creative ways for families to serve together, such as our annual New Hope Ministries Food Drive and Service Night.

### GIVING FINANCIALLY

We encourage kids to joyfully give their own money to church in order to learn generosity and be wide open to what God has for them.
