

# CARE

## ENVIRONMENTS MINISTRIES FOR THE HURTING

*When emotional pain from the past or present is keeping you stuck, the best way through is to seek hope and healing from Jesus.*

*Our Care Environments offer a variety of options to help you move toward healing.*

### FOR PARENTS

We offer Parent Partner Meetings, which are annual, casual get-togethers with our DSM staff and/or your student's small group leader to discuss how we can resource and partner with parents in the spiritual development of their students.

## ENVIRONMENTS

### 3 PRACTICES FOR EVERYONE

## WORSHIP

### EXPRESSING LOVE TO GOD BECAUSE WE ARE HIS

*All students are invited to participate regularly in weekend worship services because we believe that this is the best age for them to begin fully engaging with the church family.*

## SERVE

### EXPRESSING GOD'S LOVE TO EVERYONE BECAUSE WE ARE ON HIS MISSION

*All students are invited to serve others using their passions and gifts. We believe students are the church of today, so we invite them to serve on our Worship/Tech Team, Hospitality Team, Kid Min Team, and more!*

## CONNECT

### EXPRESSING GOD'S LOVE TO EACH OTHER BECAUSE WE ARE HIS FAMILY

**DSM Sunday Nights** - Christian community for students and by students. 6th to 12th graders meet every Sunday Night from 5-7PM to hang out, worship, and connect in small groups at our Gettysburg Pike Campus.

**Fusion** - A transitional ministry from Kid Min to DSM for 5th and 6th graders that is currently offered during both services at our Gettysburg Pike Campus and during second service at our Orrs Bridge Road Campus.
