

Blue Christmas

A Service of Hope & Healing

Sunday, December 16, 7:00 PM

For many, the Christmas season poses a unique challenge. Experiences such as the loss of a loved one, separation or divorce, a significant health challenge, the loss of a job, addiction, depression, or anxiety can make engaging in the joy of the season very difficult.

We want to provide a space to acknowledge the pain and sadness that can accompany the season. Through quiet music, candle lighting, personal reflection, and prayer, experience God in the midst of brokenness.

Whether this year has been particularly hard, or the holidays are a struggle every year, all are welcome to join us for this service of hope and healing to experience joy of a different kind.
