

Ministry and Governing Board Nomination Process July 2018

With the expansion of the spiritual authority of the church, the Ministry Board, we have the opportunity to add a significant number of members to this team. Knowing we are not limited to any number, we began to identify people who we knew would be a good fit for this Board. How did we make these determinations? Below are the qualifications:

- **Possess the Biblical Character of an Elder/Deaconess as found in I Timothy 3:1-13, Titus 1:5-11, and I Peter 5:1-6. Essentially:**
 - Elders and deaconesses are people of Godly character who are currently leading others toward maturity, ministry, and serving Christ in the world.

- **Show a commitment to engage fully in the vision & mission of Daybreak by living a 3C lifestyle:**
 - **Celebrate** – celebrating God’s grace both corporately and personally in worship and sharing God’s grace with others.
 - **Connect** – connecting to the community and others by leading in doing life together.
 - **Contribute** – serving the church in ministry, and committed to reaching the community and world for Christ with their resources.

Based on these qualifications, we have already identified and began approaching numerous church members to ask if they would consider seeking election to the Ministry Board for this next 3-year term. That being said, we are also opening up the nomination process to you, the church family. If you know of church members who possess the Biblical Character of an Elder/Deaconess and are committed to fully engaging in living a 3C lifestyle, please send their names to us at elders@daybreakweb.com by Monday, July 23, and if we haven’t already identified them, we will take them into consideration. Then, at the end of July, along with the proposed 2018-2019 budget, we will share the nomination list for both the Ministry and Governing Boards.

Regarding election to the Governing Board, since this is a smaller team of leaders who are selected from the pool of Ministry Board members, from those who are nominated for the Ministry Board, we will identify 7 people who, beyond possessing the Biblical Character of an Elder/Deaconess and committing to a 3C lifestyle, are gifted with governance skills (business, strategic thinking, etc.) Of these 7, one will be elected as the Elder Vice-chair, and one will be chosen by the Lead Pastor of Operations to serve at the Elder-chair. As well, the Team of Lead Pastors will sit on this Board as voting members, and the elected Treasurer and Secretary will sit on this team as non-voting members, for a total of 12 Governing Board members. If you have suggestions of church members that would qualify for both Ministry and Governing board membership, again, please send names to us at elders@daybreakweb.com by Monday July 23.
