GENEROSITY INITIATIVE DECEMBER 2019 - DECEMBER 2021

**FOR HELPING PEOPLE DISCOVER & DEEPEN
A LIFE-CHANGING RELATIONSHIP WITH JESUS**

Because of your God-led generosity,
OUR MISSION WAS ACCOMPLISHED

125+

people have made a new or renewed commitment to a life-changing relationship with Jesus through our weekend services.

200+

newcomers have been welcomed into a NEXT Gathering for Newcomers to learn more about the mission of Daybreak, and to take a next step.

700+

individuals made a connection in a group, helping them be cared for, connected with, and grown in Christ-centered community.

New Tools

for discipleship were able to be leveraged:

- Our livestream services were able to be improved to offer an engaging way for our church family to stay connected.
- We invested time and resources into RightNow Media, YouVersion Bible App plans, and more.

New Staff Members

were able to be hired to help support and forward our mission:

- **Hannah Britcher** - Assistant Director of Student Ministries
- **Ned Keene** - Pastor of Connecting Ministries & OBR Assistant Campus Pastor
- **Matt Wilkins** - Director of Kid Min
- **Alysha Newingham** - Administrative Specialist

Our Community

was impacted as we were able to:

- Bless Hometown Heroes (workers who remained on the front lines during the pandemic), as well as Mechanicsburg Middle School Teachers with gift baskets during their back to school night.
- Welcome over 55 Daybreak & community families of kids with special needs to engage in our 7th Inning Stretch Family Respite Ministry.
- Financially support a local church plant in Harrisburg (The Rock Church).

Our World

was impacted as we were able to:

- Support our 2 sets of Sent-out Missionaries from Daybreak, one partnering with Wycliffe in Bible translation, and the other partnering in ministry to street kids and other missionaries in the Philippines.
- Contribute over \$80,000 to the Great Commission Fund of the Alliance, which supports the work of over 700 International Workers (IWs) in over 70 countries, including specific IWs we partner with.
- Send 19 students & leaders on a short-term mission trip to Costa Rica in Summer of 2021.

Because of your God-led generosity, **OUR VISION WAS ACCOMPLISHED**

In addition to funding the mission, we were also able to accomplish our **strategic vision initiatives**, allowing us to provide more welcoming and functional church homes to minister to our church family, the next generation, and the community! These projects were a journey, but welcoming lobbies, updated kid and student environments, and refreshed multipurpose indoor space have laid the groundwork for us to accomplish our mission for years to come!

We purchased & renovated a new church home for our Orrs Bridge Road Campus family.

We worked with Hampden Township to have the Walking Path behind our OBR Campus paved for our church family and community to enjoy and to engage with God, like at our 2021 Good Friday Experience.

We made significant renovations (a functional facelift) to our Gettysburg Pike Campus to create more effective and efficient ministry environments.
