

Covid-19 Guidelines

We are grateful that we are going to be able to offer camp sessions this year for all ages. Our goal is to continue to have Park Springs Christian Camp be a positive place for kids who need it now more than ever. Camper health and safety remain a top priority at Park Springs. We continue to stay up-to-date with federal, state and local mandates and recommendations related to COVID-19. These guidelines are taken from the CDC recommendations for camps reopening and the American Camp Association's Field Guide for Camps.

Here is some information for you to know as we prepare for this summer:

Summer Safety Field Guide

Screening

- COVID exposure questionnaire
- Symptom assessment upon arrival/departure

Cleaning

- Increased disinfecting and sanitizing
- Toilets, showers, restrooms
- Special focus on food preparation and cafeteria

Preventing Spread

- Handwashing/Hygiene stations
- Isolation areas
- Reasonable social distancing

Screening and Assessment

- Monitor symptoms regularly
- Monitor temperature

Awareness & Communication

- Following CDC recommendations
- Honoring federal guidance
- Talking with campers and parents

Sanitizing

- Training in sanitation
- Dedicated sanitation team
- More frequent cleaning of shared surfaces

Prevention

- Procedures for practical social distancing
- Best practices in hygiene
- Frequent handwashing

Monitoring

- Training to recognize symptoms
- Daily Temperature Checks
