Many New Faces at Camp!

It's been very exciting to see so many first-time campers this summer!

Recently we had the privilege of hosting the Caswell County Homeschool "SPLASH Party" during which nearly 100 parents and children enjoyed a day of fun activities and swimming! Even the Canteen Turtle came out to meet the many kids who were experiencing Park Springs for the very first time!

The Submerge Summer Camp brought 90 youth from the Bridge churches. Each year, the churches unite to put together a great week of fun activities and deep, meaningful worship! When we asked how many were here for the first time, many hands went up! The leaders rejoiced as they witnessed a number of decisions for Christ!

The Rhythm Alive Percussion Camp was another first-time group! Drummers could be heard in all directions as students and teachers formed "drum circles" throughout the camp property to learn new rhythms and to hone their percussion skills. Our staff was treated to an outstanding performance in the athletic field at the end of the program. The group fell in love with Park Springs and they plan to return next year!

Perhaps the greatest thrill of all so far this summer was to see our Family Camp double in size!! 120 children, plus parents and staff, enjoyed an amazing three days of fun, worship, crafts, Biblical teaching, and quality time between parents and children and brothers and sisters in Christ! It was a thrill to see so many children (the future Church) experiencing Park Springs for the first time!

We praise God for the many new faces that we've seen this summer! And we know God has more great things in store for us as we look forward to our Middle/High School camp and the many more retreats yet to come! Please pray for God's blessing to continue to pour out upon His camp!
