

Dear Reimagine Friends,

What an incredible year this has been! As we come to the close of 2025, our Finance Team is thrilled to share that thanks to your giving in our fall campaign, we are on track to *become fully self-sustaining in 2026!* That is something worth celebrating! It reflects your commitment, your generosity, and your belief in what God is doing through this brand-new kind of church. We are so very grateful to God and to you!

As many of you know, part of our annual sustaining goal includes a *year-end* giving target. Every year, we have so many friends in our community and beyond who love to make special year-end gifts to help launch the next season with strength. For 2025, that goal is **\$37,500** -- and this year, we have some especially exciting news.

Inspired by what happened in our sustaining campaign this fall, **a different generous donor has offered a matching gift for the first \$7,500 given to our year-end campaign.** That means your early gift—of any size—will be doubled dollar for dollar. It's our very first year-end match, and we're deeply grateful for the way God continues to provide through His people.

Why does this matter? Because 2026 is going to be a breakthrough year for Reimagine. We are preparing for several big initiatives:

- **A one-day Reimagine Visual Arts Gallery & Festival.** In addition to our Spring iPhone Film Fest, and our Summer SongFest, we want to expand this year's November arts emphasis and Christmas market into a full, immersive creative experience for our city in 2026.
- **New pods across new locations,** extending our reach and creating fresh spaces for people to explore faith, creativity, and community.
- **New computer and editing equipment** that will allow us to continue growing our storytelling, film, and digital ministry with excellence.
- **Expanded Spiritual Direction groups,** including brand-new six-week modules focused on spiritual habits and practices to help our community grow deeper roots with God in 2026.

All of this is part of our 2026 ministry plan, and your year-end giving helps us enter the new year strong and ready. If you'd like to see the full picture, **our 2026 Budget is now available** (email robin.hamilton@gmail.com). If you have questions or would like to talk more about any of this, reach out and we'll set up a time to talk one-on-one.

On behalf of our Finance Team—and truly, on behalf of all of us who call Reimagine home -- **thank you.** Thank you for praying, for showing up, for inviting friends, for encouraging our team, and for giving generously to the mission. What God is building through Reimagine is unlike anything we've ever seen, and we are honored to build it together with you.
