Servants Announces New Way to Volunteer

Volunteer Café at Servants Has Menu of Volunteer Opportunities

York, PA— February 21, 2019 — Servants, Inc. announces a new way for people with a busy schedule to volunteer and serve their community. Whether someone can volunteer for one hour or six hours, Servants has volunteer opportunities available with no need to sign up ahead of time.

On Saturday, March 2, 2019, the Volunteer Café at Servants will have its Grand Opening providing a menu of volunteer opportunities for everyone and for all skill sets.

“We are so excited to provide this option for our volunteers to drop in and complete a small task that helps us serve so many families in York, across the US and around the world! Each hour given is so precious in helping us achieve our mission,” said Trent Davis, Chief Executive Officer of Servants.

As part of Servants ongoing mission to connect compassionate people with people in crisis, Servants has been hearing from so many community members about their desire to serve their community. The problem is busy schedules in caring for families, jobs, and the social lives they have. Servants Volunteer Café is the solution.

Volunteers can come in on Wednesdays, Fridays, or on the first Saturday of the month anytime between 9:00am - 3:00pm and choose the volunteer opportunity they want. The Volunteer Cafe is located at Servants Ministry Center, 100 Redco Avenue, Ste. C-0 in Red Lion.

Volunteer opportunities could include sanding and painting handrails, warehouse organization, office supply organization and inventory, paper shredding, event preparation and assistance, answering phones, proofreading a Servants newsletter, office tasks, etc.

For more information, please call Servants at 717-378-0336 or go to <http://servants.org/events>.

Servants 500 volunteers serve by using their skills, gifts and experiences in providing home repairs and maintenance services for low-income older adult and disabled homeowners through the *Home Helps ministry*; delivering help to disaster victims and recovery efforts through the *U.S. Disaster Recovery ministry*; by teaching extreme poverty-ridden families and communities in Guatemala and throughout the world to achieve a sustainable lifestyle through the *Serving at-Risk Families ministry*; and by planning and coordinating short-term *mission trips* across the U.S. and around the world.
