

## NEWS AND EVENTS

### Welcome to Mountain Springs Community Church

We warmly welcome you here today. We are very informal, so grab a cup of coffee and join us as we celebrate God's grace in Jesus Christ. Please join us for refreshments and fellowship following the worship service.

### Today's Message

When our children were small, we would talk about how big they would grow to be. We would reach up out hands and say..."This big..." Sometimes our measurements would be ridiculously too small. Other times our measurements were ridiculously too big. The kids would laugh belly laughs. Here the Apostle Paul is trying to tell us how big the love and power of God is. He uses words like, how high and how wide and how long and how deep. Then he says "Immeasurably." And our laughter is the laughter of joy that God is everything.

### Congregational Meeting

There will be a congregational meeting on next **Sunday, June 10** after our worship service. The meeting will be to vote on the proposed 2018-2019 church budget and ratify Heather Lloyd as the deacon nomination. There are copies of the proposed budget on the table in the back. Absentee ballots will be available online.

### Volleyball and Potluck

The three Christian Reformed Church councils in the valley are planning a night of volleyball, BBQ picnic potluck and fellowship. The event will be hosted by MSCC on **Sunday, June 10** starting at 5, with dinner about 6. Please bring a food item to share with the group and your own lawn chairs. **There is a signup sheet on the bulletin board.**

### Graduates

We would like to recognize Anne Terashima and Kevin Biel on their graduation this year. May God be with you during your next chapter in life.  
Anne: DePaul University, Chicago on June 9; MA in Writing and Publishing.  
Kevin: Intermountain Christian School; plans to attend Calvin College in the fall.

### Property Map

There is a map of the church property on the wall in the back of the sanctuary. We are asking for volunteers to 'adopt a section' of the property. This does not include mowing or trimming the lawn. This is to keep the area you choose to take care of weed free and looking nice. You may volunteer for any section as a group or by yourself. There is no set day or time for you to take care of your section. We just ask that by Sunday morning the entire area has been cared for at some point during the week. If you have any question you may contact Kent or Lorna. **Thanks for your help keeping our property looking nice throughout the year.**

### Annual Church Camp

Our annual church camp will be at a new location this year over Labor Day weekend. We have the group site at Wasatch State Park, near Heber, reserved August 31-September 3. More details to come.

Subject: Ugandan Gold Coffee Project ... the CEED-Trust

Dear Mountain Springs friends,

Many of you have enjoyed and purchased Ugandan Gold Coffee through the non-profit organization CEED for the last few years. This has also been the only coffee served at every Mountain Springs event for the last five years or so. This has helped provide jobs and new economic life for the workers at our farm near Wambabya. The profits from those coffee sales also helped to develop clean water wells ... providing health and hope to many in rural Uganda. CEED's goal throughout this mission which began in 2000 has been to help the Ugandan's learn to operate this coffee farm profitably so that it would be 100% self-sustaining. Today a report to you that the goal has been reached!

Last year's coffee crop was so bountiful that when sold on the commodities market in Kampala, Uganda it generated more than enough earnings to meet all the farm operating costs including wages, fertilizer, harvesting, hulling, transportation, etc. There is every chance that this can be repeated yearly.

The bad news: Ugandan Gold Coffee will no longer be available for purchase in the USA.

The good news: The Ugandans can continue to operate and thrive without US influence or direction.

A Ugandan non-profit organization has been set-up as the controlling entity complete with a Board of Directors and excellent proven leadership (Herbert Asiimwe, a good friend of the Gutzwiller family). Folks in rural Uganda have good steady jobs that afford them a better life without dependence on outside financial support. And ... CEED has partnered with Giving Grounds Coffee who will be selling coffee from Uganda in the USA. For the next two years, 10% of the proceeds from the sale of Giving Grounds Coffee will be returned to CEED for development of more agricultural projects in rural Uganda.

Thank you for loving the people of Uganda through your purchases and support of Ugandan Gold Coffee. What a blessing this has proven to be ... jobs and economic development have happened! The people have clean water. The Gospel has been proclaimed, and the Lord has been honored in this work.

Sincerely, Les Gutzwiller (former chairman of CEED ... now an active Board member).
