

NEWS AND EVENTS

Welcome to Mountain Springs Community Church

We warmly welcome you here today. We are very informal, so grab a cup of coffee and join us as we celebrate God's grace in Jesus Christ. Please join us for refreshments and fellowship following the worship service.

Today's Message

The flood story is one of the most interesting and most controversial of the Bible stories. There are many arguments about whether or not a worldwide flood actually happened. Our point today is not to contradict or argue those kinds of details about the flood, but to notice something important. That is the covenant promise God made to Noah and his family — to the human race. That never again would a flood destroy the whole world. It made the point that God saw the human race as worth redeeming. As John 3:16 says, "God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish, but have eternal life."
