## Hayden Thomas

Since the age of three, Hayden Thomas has taken piano lessons. He was six or seven when we, the congregation of FPC, were first privileged to hear him during a Sunday worship service in our sanctuary. While on that day the focus was Beethoven and his Ninth Symphony, classical is not his only music love. At present he's into heavy metal. And if you'd like to listen to some of his other music, head on down to Cassie's any Sunday from 11:00 a.m. to 2:00 p.m. Until the school year gets going, Hayden will also be playing at Cassie's Wednesday evenings from 6:00 to 8:00 p.m.

Saving Private Ryan is Hayden's favorite movie. He plans to join ROTC when he's in college. A member of the class of 2020, he names J.K. Rowling's Harry Potter series as one of his favorite reads. If you put these three facts together, you will see that the branch of the military Hayden is headed for is the Air Force. He wants to fly, and not in a Quidditch match at Hogwarts. Actually, Hayden has already had the experience of piloting a small plane, and the idea of moving up to a military jet is a definite motivator.

Hayden's family frequently spends vacation time in Texas visiting relatives, and he has grown to love the warmer climate. So much so, that his future plans include attending college somewhere in Texas; a college that offers classes in both aeronautics and musicology and has a ROTC program.

But for now, the congregation can continue to enjoy being ministered by him when he occasionally fills in for Tim. Hayden is as grateful for the congregation's support and encouragement as we are to have him play for us. And don't forget to go hear him at Cassie's.
