## IT'S FLU SEASON

Are you ready for the flu? I hope so. The Center for Disease Control estimated that more than fifty thousand people died in the last flu season. Flu symptoms include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills and fatigue.

So how can you be ready?

1. Get the vaccination
  2. Wash hands often
  3. Use hand sanitizer stations provided at church
  4. Wash hands after leaving church and prior to food preparation
  5. Keep from touching your eyes, nose, and mouth
  6. If you are sneezing and coughing protect others by staying home
  7. Don't resume regular activities if you have a fever till free from fever for 24 hours
- Please do not come to church if you are sick. The Lord understands and we do too!
