PRACTICAL CHRISTIANITY

GOOD NEWS

Today is the first day of spring! You know what that means - it's time to do some spring cleaning. What do you need to clean at your house?

If you are cleaning out your closet, remember our Shoe Drive for Africa. We are partnering with Signal Mountain Church of Christ to collect 10,000 pairs of shoes for the children, teens, and adults of South Africa. Please bring your new or gently used shoes to the church building and drop them off in the shoe bins.

On another level, we all need to do some spiritual spring cleaning. Part of cleaning out a room or a closet is learning to let go. It feels good to let go of things no longer needed. It can be the start of a new beginning. But some people struggle to let go of the past. Knowing we need to let go and actually letting to are two different things. Do you need to let go of some sin in your life? You can't move forward until you let go of that sin. Do you need to let go of a bad relationship? The best time to let go and move forward is today. Don't hold on to the past. Let it go!

"Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles, and let us run with perseverance the race marked out for us" (Hebrews 12.1).
