BACK TO SCHOOL

Remember when a new school year started in September? That is a distant memory. As I am writing these words, our elementary and middle school and high school students are back for their first full day of school. Please pray for our students and teachers that they will have a great academic year. And remember - only 179 more school days until summer break!

BUILDING RENOVATIONS

The nursery renovation is complete! Feel free to check out our new nursery. It may just make you want to have another baby! Also, the floors in our preschool wing have been replaced.
